Please Note:

Our Free Feral Program applies to homeless, stray and feral cats only and the cat must be eartipped for identification purposes. If you have an indoor, tame pet cat or a cat who you do not wish to be eartipped, our low-cost rates apply. As of 1/1/2011, FixNation is accepting LA City Vouchers, good for \$30 off the cost of the spay or neuter (for LA city residents only – vouchers available at all local city animal shelters).

We accept cash, checks, debit cards and credit cards (sorry no American Express). Payment is due end of day.
