

SPONSORSHIP OPPORTUNITIES

We invite you to join Architects for Animals® and FixNation by sponsoring "Giving Shelter" in Los Angeles on October 19, 2017.

The Event

The Architects for Animals® "Giving Shelter" exhibit is a unique fundraising event to benefit FixNation, a Los Angeles-based nonprofit that provides free spay/neuter programs for homeless cats. On Thursday, October 19th, top LA architecture and design firms – along with individual architects and designers – will display their one-of-a-kind outdoor dwellings for community cats during a cocktail reception at the HermanMiller Showroom in Culver City. Be a part of this innovative event, attended by 300-400 guests, VIPs and media representatives. Our previous "Giving Shelter" events have garnered millions of media impressions and this is an amazing opportunity to get involved and to give back.

You can help make this event a success by showing your support as a sponsor. Please join our cause and make a difference in the lives of homeless cats! All proceeds benefit FixNation.

Sponsorship Types

Food & Drink Sponsorships

This cruelty-free event is an opportunity to showcase your company's delicious offerings in an upscale party atmosphere attended by local animal lovers and celebrities. Signage and additional recognition and benefits available based on level of support.

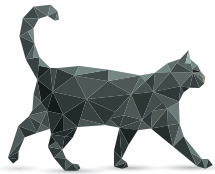

Online Auction Donors

The event's online auction will provide even broader appeal and visibility for your company. Contribute an in-kind donation or a unique experience that FixNation friends and fans near and far will be eager to bid on. It all goes to help homeless cats!
